Holy Girl Paradigm

森島 明子

Akiko Morishima presents

this childhood custom of sleeping next to her still puts me to sleep really fast.
Because, and it's a fortunate thing indeed,
To this day, Reika and I sleep together.
And, even more fortunate,
I'm very, very bad at waking up...
Yuki, it's time to wake up
Hmm

We'll miss breakfast
I don't want any
You should, or you'll have to hold out till lunch
Aah...
Rei looks beautiful today as well...
I'll get up if you kiss me.
If you want a kiss then get up
scratch
rustle...
...

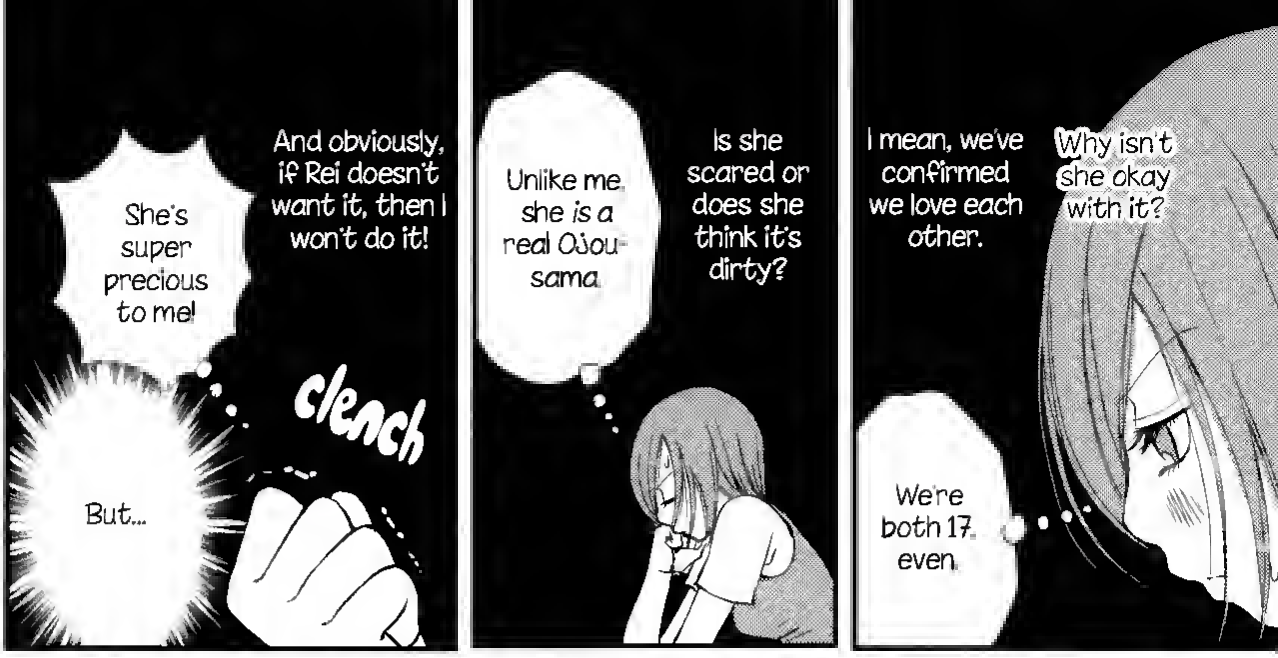
Rei and I are in love with each other.
Good morning, Rei
Good morning, Yuki
I knew it
Nope
Ha ha ha
But we keep it a secret.
By the way, did you get a request for a marriage interview?
Yes, but naturally I declined
The one I love is Yuki

Good morning
Good morning
Good morning
'Cause the backlash would suck either way.
We don't tell anyone.
We're cousins and lesbians.
And I love only you, Rei.
I live in the same house as Reika and her parents.
Though...
They're probably all suspecting it anyway.

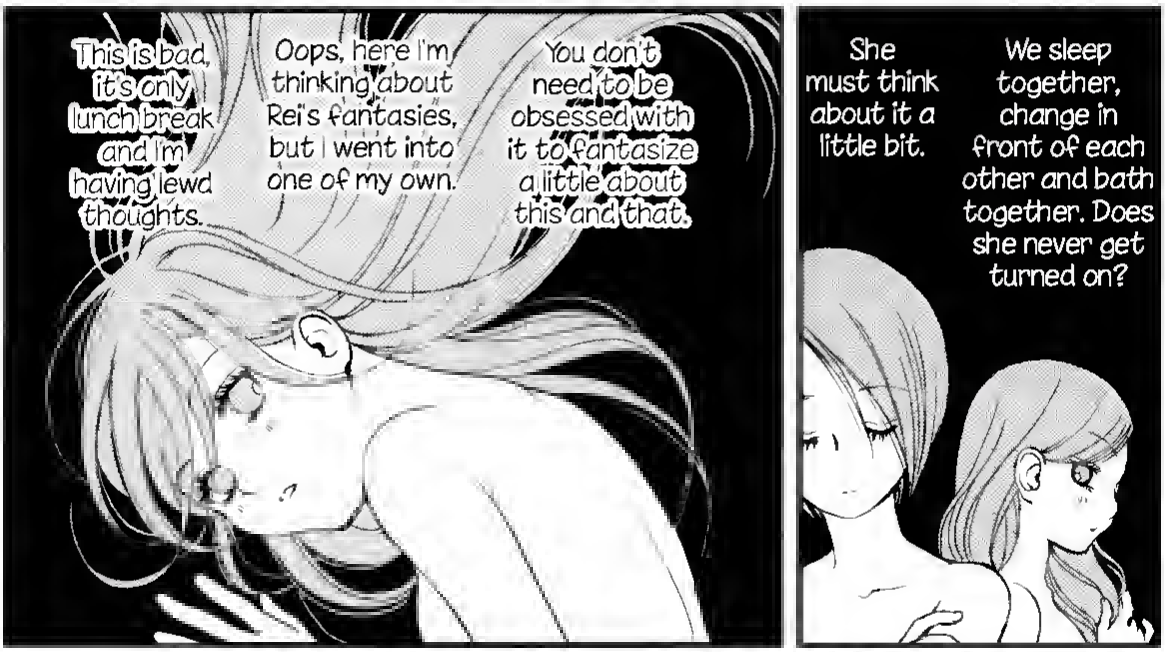
APART FROM KISSES ON THE CHEEK OR FOREHEAD, WE HAVEN'T DONE ANYTHING!
Uhuu...
Suffer through without a much-needed mouth-to-mouth kiss.

Cause...

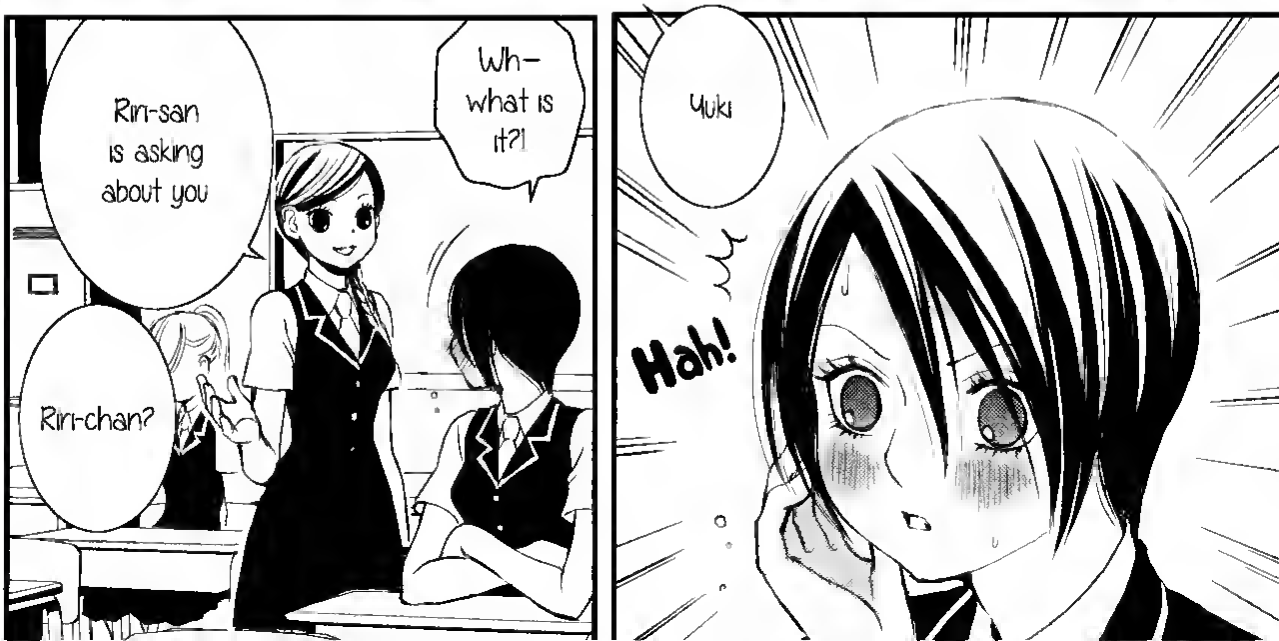
And it's not so much I haven't told anyone.
as there isn't that much to tell.



Why isn't she okay with it?
I mean, we've confirmed we love each other.
We're both 17, even.
Is she scared or does she think it's dirty?
Unlike me, she is a real Ojou-sama.
And obviously, if Rei doesn't want it, then I won't do it!
She's super precious to me!
clench
But...



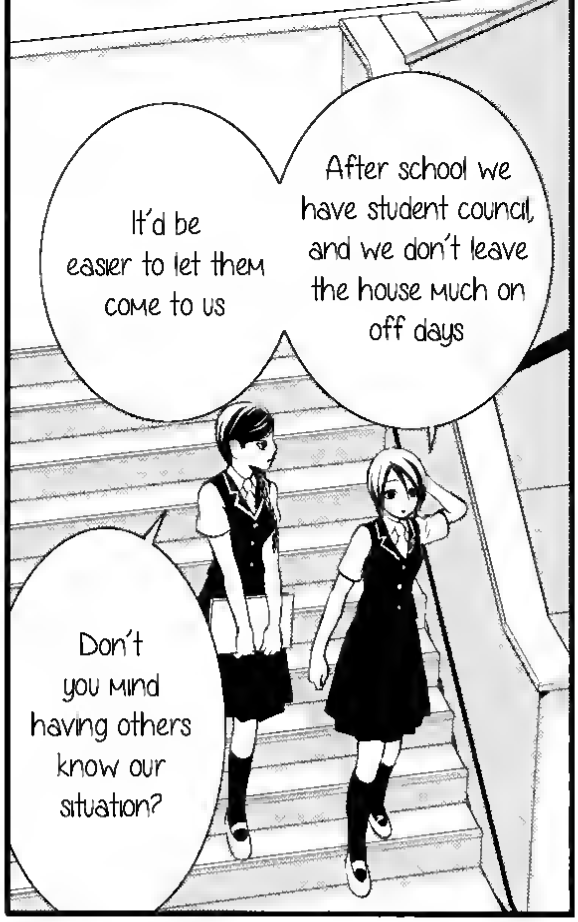
This is bad, it's only lunch break and I'm having lewd thoughts.
Oops, here I'm thinking about Rei's fantasies, but I went into one of my own.
You don't need to be obsessed with it to fantasize a little about this and that.
She must think about it a little bit.
We sleep together, change in front of each other and bath together. Does she never get turned on?



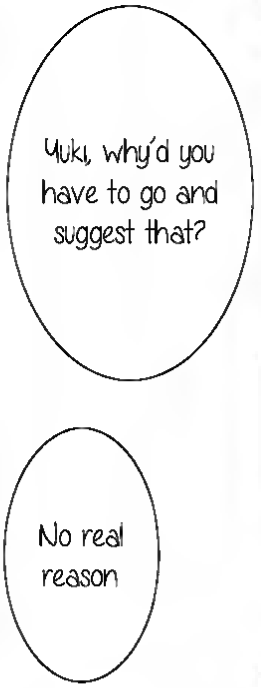
Wh- what is it?!
Rin-san is asking about you
Rin-chan?
Yuki
Hah!

I see, a musical performance club
That's the club you made?
That's right!
It's a club where we dance and sing like idols ♡
Our first stage will be at the culture festival
STUDENT COUNCIL
But that damned nun!
In your uniforms with jerseys under!
Hmm
said that!
That's kinda cute, right?
Ha ha ha
They'll sure give off a school vibe.
I hate it, hate it, hate it!
I wanna wear ribbons and frilly clothes!
How can we get the school's permission?

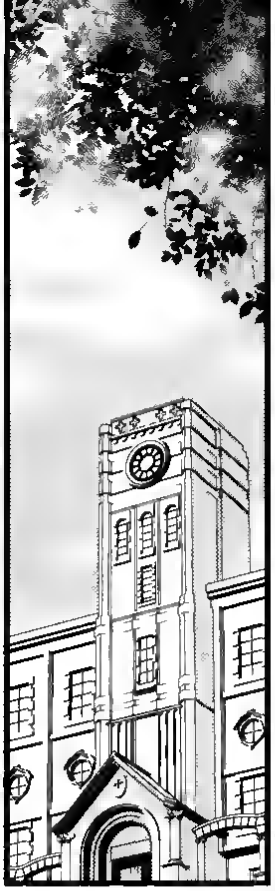
Yuki-sama, you're popular with girls, so
work your charm on that damn nun and seduce her ♡
WE COULD BLACKMAIL HER!
That sounds friggin' sweet, I'm in!
No! That's not what we had in mind!
The glee club has to be in uniform, but...
the drama club can wear costumes
You're right, and the sport clubs have to play their opening matches in uniform, too
There's plenty of room to negotiate
Hmm.
Eh?!
Rei and mine. We live together.
Yuki-sama's house?!
Eh, really?!
All right! Come to our home this weekend and we can work out a strategy!

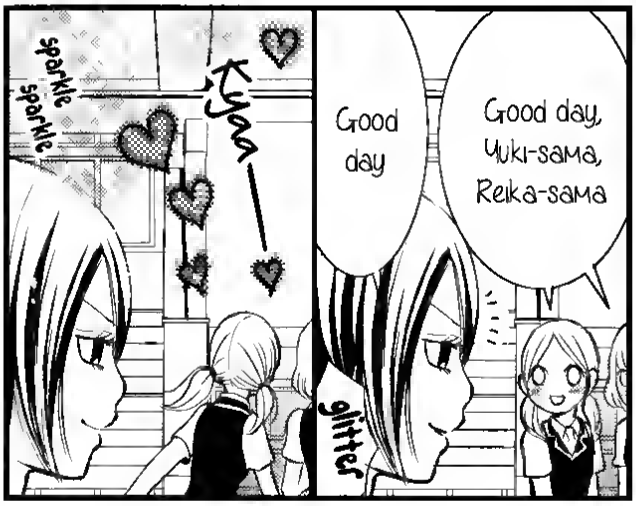


After school we have student council, and we don't leave the house much on off days
It'd be easier to let them come to us
Don't you mind having others know our situation?



Yuki, why'd you have to go and suggest that?
No real reason





sparkle sparkle
Kyaa
Good day
Good day, Yuki-sama, Reika-sama
glitter

You quite like them, don't you?
Ah, well, those two I'm fine with

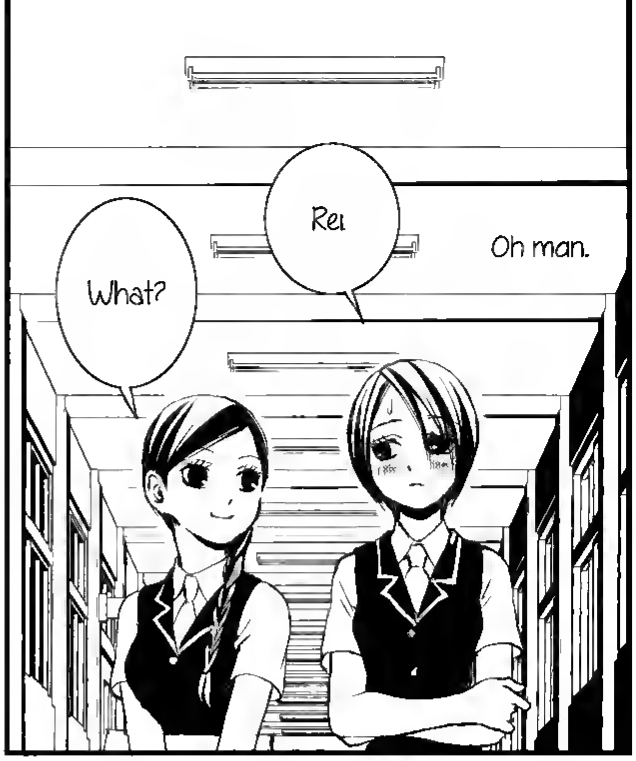
Not at all
Hihi
What? Jealous?

Aoi-san is really direct and pure
Riri-san is very honest to her heart

You're opening up to people other than me
I'm happy

Uh..!
Meanwhile you're deceiving everyone yourself
I know, I get it, you do the honor student charade to protect me

You quickly see through deception, so you don't trust people easily, but
with those two, who don't lie or hide things, you speak your heart



I love you

I love you, too

From the moment we met.

Rei sees through everything.

I was sent alone to Tsukikouji's place

Brother, please take care of my daughter

Yuki, Mama has to go abroad for her work, okay?

Be a good girl here

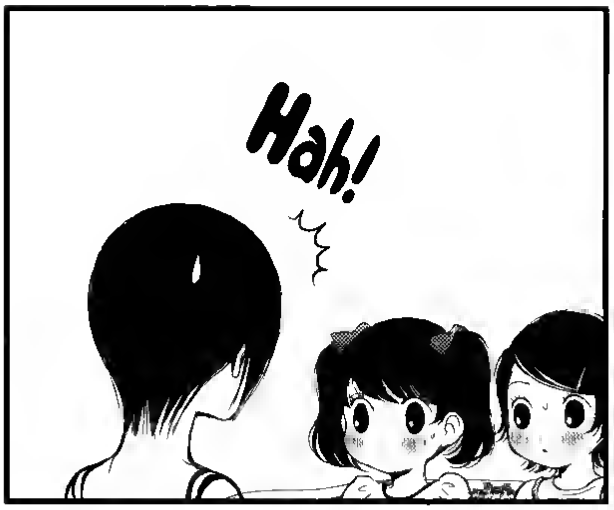
"Work?" It's a new guy, right?

...
There's no fighting and shouting at night, so I can sleep easy.
And they're rich, so life'll be easy.
This family is super kind.
Well, whatever!
This is my daughter, Reika.
?!
knock knock
You're awake!
Can't sleep?

That was the first night I was able to sleep peacefully.
An unwavering love was born then and grew ever since.
Though words like "Like" or "Love" no longer suffice.
I adore every fiber of her being...
and yet...
even if we have such a stable relation,
how did things become so uncertain between us?

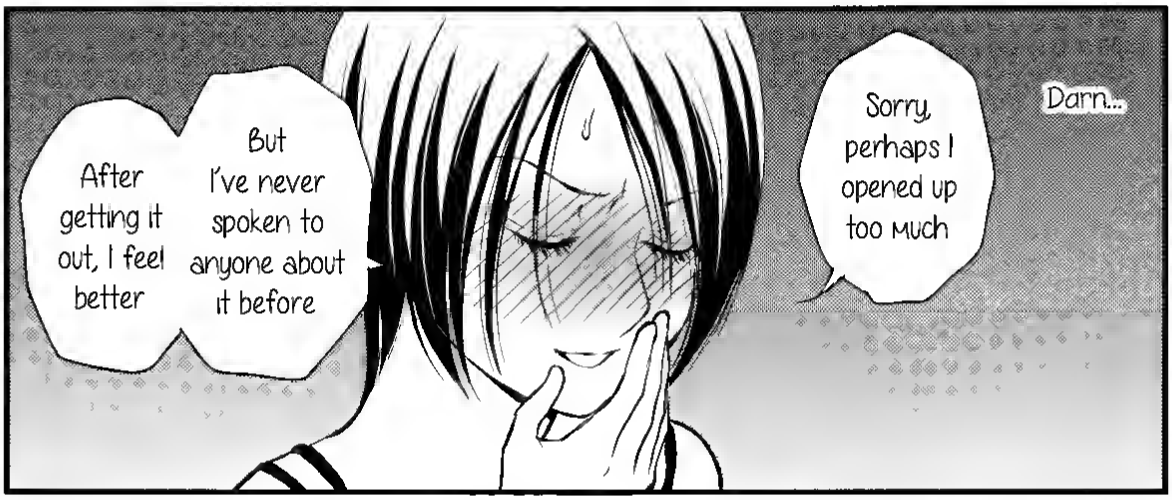
Rei isn't done yet with her piano lessons
We're sorry, too, for arriving too early
Sorry to intrude
Gorgeous!
Sorry, we'll have to wait a bit
A private piano tutor! Rich ★
Take a seat
I'm freeloading here
Well, rather than living together
You're really living together
excited
excited
excited
excited
excited
excited
excited
excited
excited
What is it?
...
Shocking
I can't believe you're cousins

Umm, do you two also sleep together?
Yes
But we haven't had sex or anything
Nope...
Reika actually rejects me each time
Hyaaaaaaaaa
A fastball reply!!
We love each other so much, so why doesn't she want to?
Sigh
We're together all day in bed, changing clothes, in the bath
And I'm fighting the urge so hard It's hard It's frustrating
Uguuh...
But if Rei doesn't want to, I'll bear with it my entire life!
Because I love her!!
Clench



Hah!

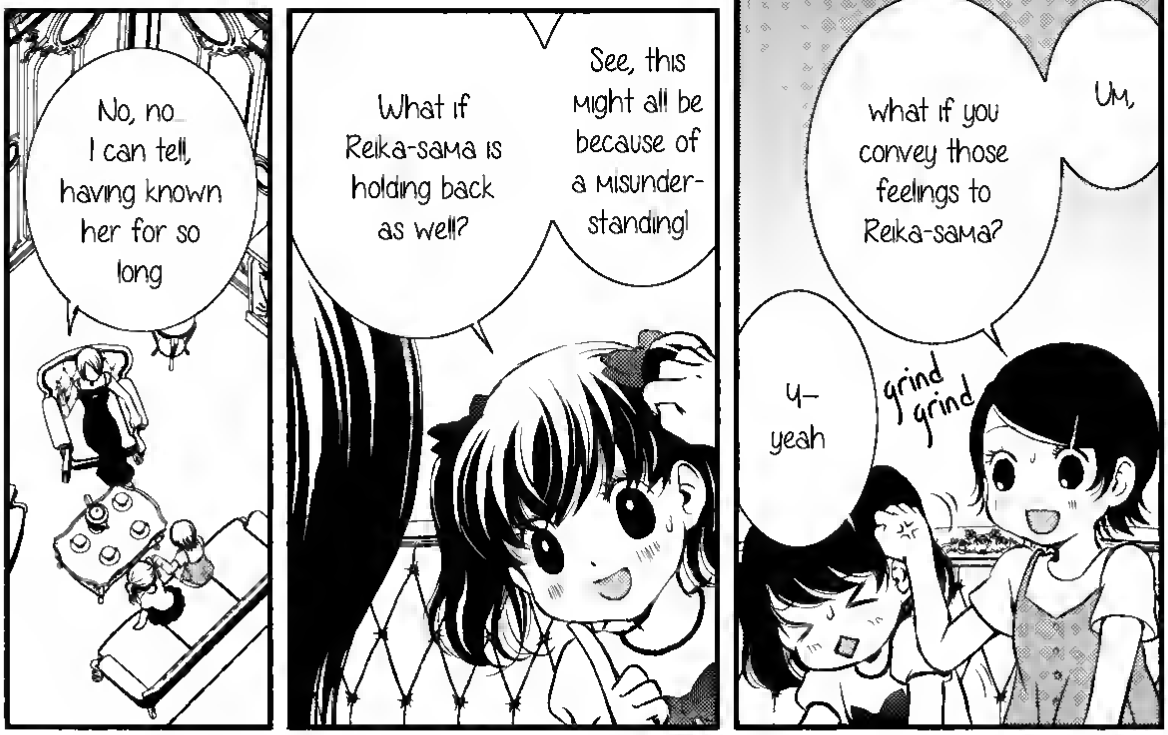
What? No way!
Hmm, if it's that hard on you, why not sleep in different beds?



Darn...
Sorry, perhaps I opened up too much
But I've never spoken to anyone about it before
After getting it out, I feel better

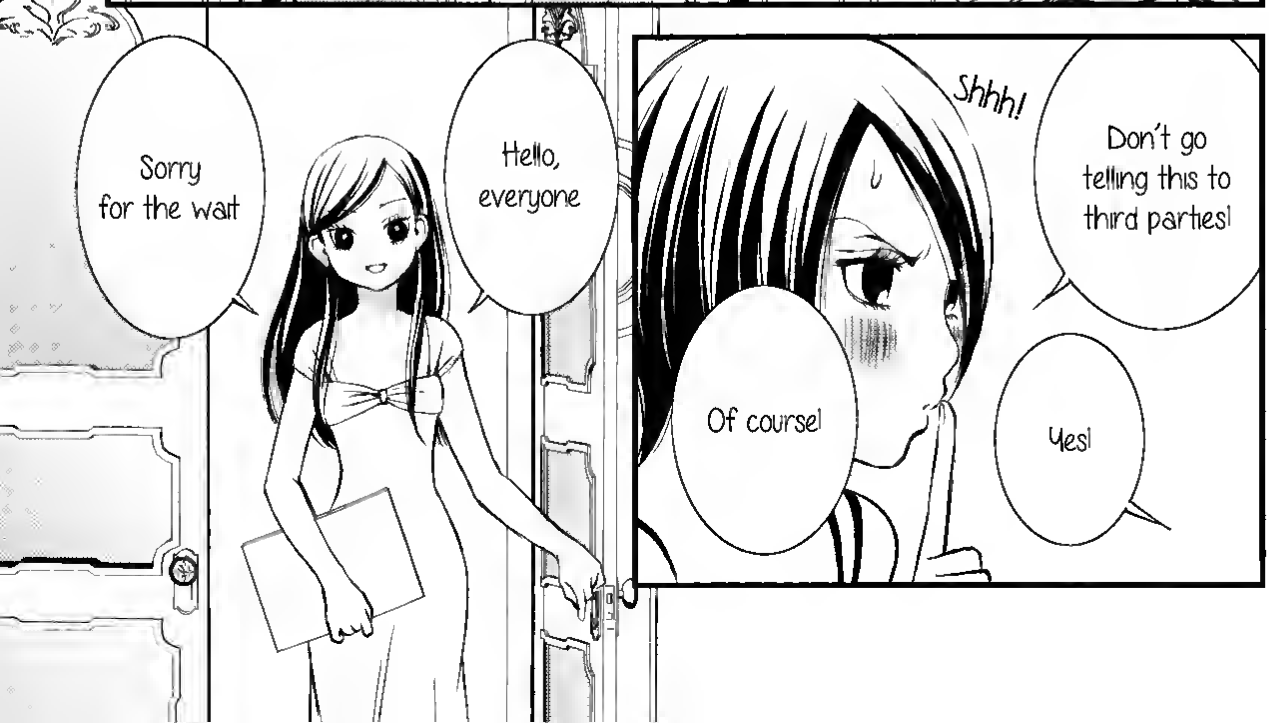
As I thought
RIRI-SAN!
Pfft!
No! Yuki-sama's true feelings are nothing to laugh at!

Now give it to me, laugh at my pathetic-ness



No, no I can tell, having known her for so long
What if Reika-sama is holding back as well?
See, this might all be because of a misunderstanding!
Um, what if you convey those feelings to Reika-sama?
U-yeah
grind grind

Oops
Rin-chan, you may not understand, but we-
I dunno You can't be sure till you ask

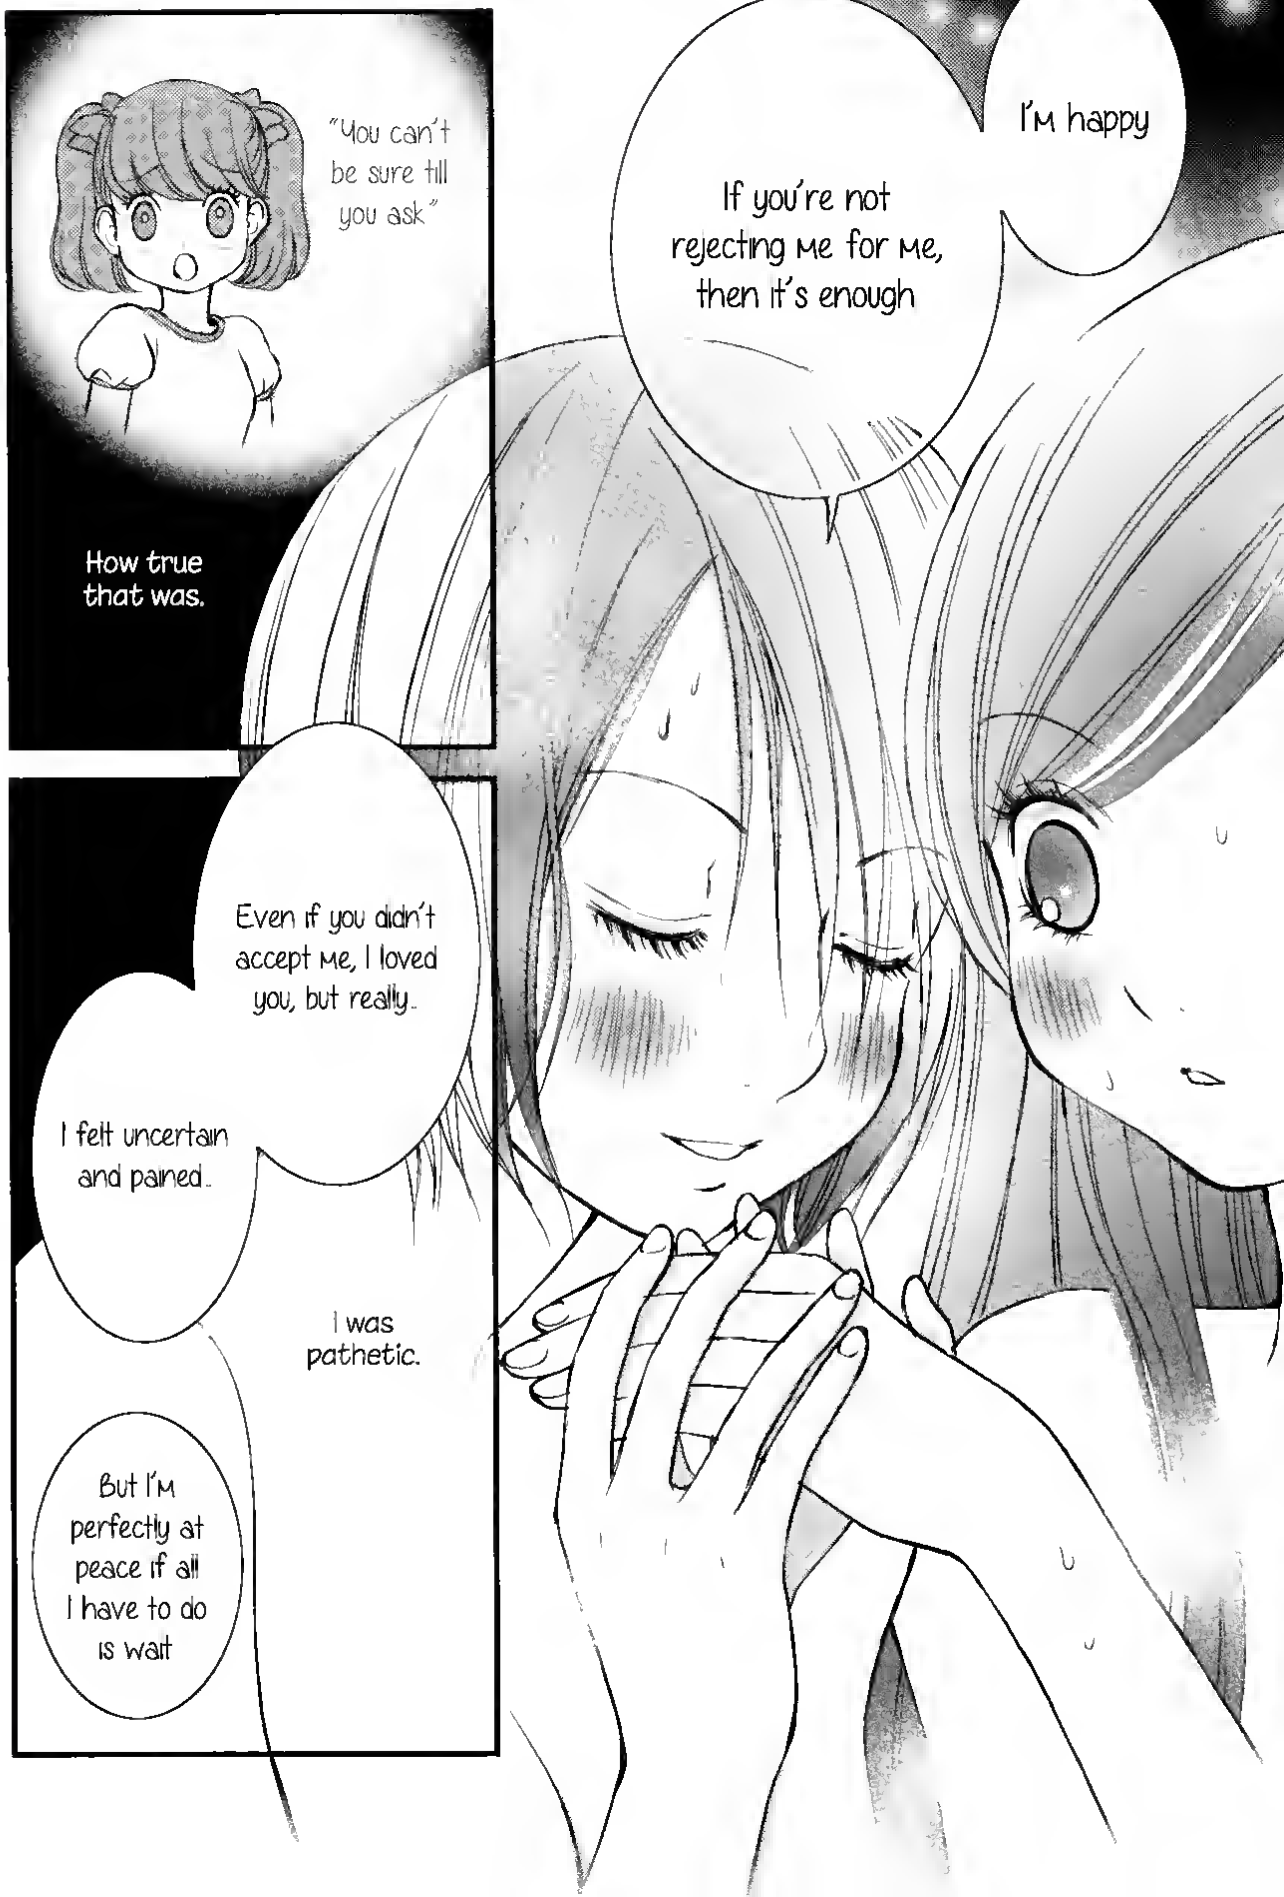


Sorry for the wait
Hello, everyone
Shhh!
Don't go telling this to third parties!
Of course!
Yes!

Reika-sama!
Yuki-sama told us she wants to have sex with you!
That every day she's horny and going through hell!
I JUST TOLD YOU NOT TO TELL THIS TO THIRD PARTIES!!!
But Reika-sama isn't a third party

You two love each other, so you must be okay with it too, right, Reika-sama?
Ah, um...
We're only 17
It's still a bit too early for that, right?

Only 17
So you've been ignoring my passes,
just for that reason
Sigh...
Of course, we're students
That is just like you, Reika
I've been worrying to hell and back
Why would you be worried?
I tell you every day that I love you
Of course, I know that, but
It's not that we're "only" 17, we're "already" 17, right?
Is that so?!
Well, normally
probably not
But whatever,



"You can't be sure till you ask"
How true that was.
I'm happy
If you're not rejecting me for me, then it's enough
Even if you didn't accept me, I loved you, but really.
I felt uncertain and pained.
I was pathetic.
But I'm perfectly at peace if all I have to do is wait

I love you
I love you, too
Yes, I love you forever
Still, I'm not completely free of this uncertain feeling.
Words alone won't change that.

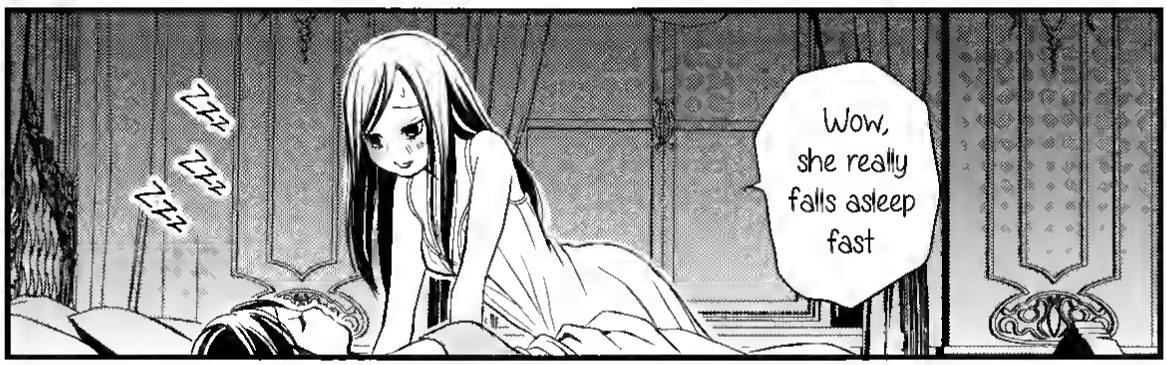
Though... even when we do take the next step, that feeling will probably remain.
Aah
With my worries gone, I feel tired
Let's tuck in!

You're not gonna play a game?
No, not tonight

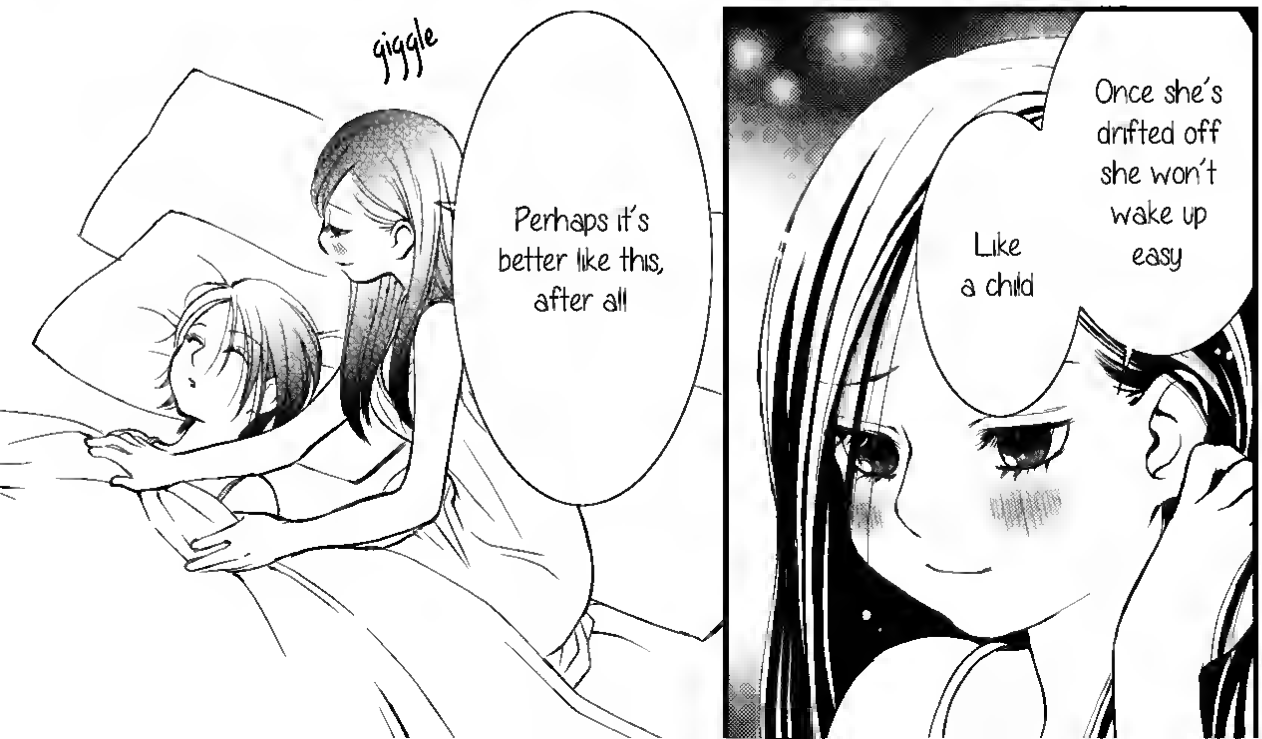
Uhuu, this is bad...
My fantasies have gotten me all fired up again.
I better fall asleep quickly.

Good night
I'm glad I fall asleep fast.
Good night!
I now know it's not like Rei doesn't want it, but...
I still have to keep myself in check.
...
Say, Yuki...
About that thing...

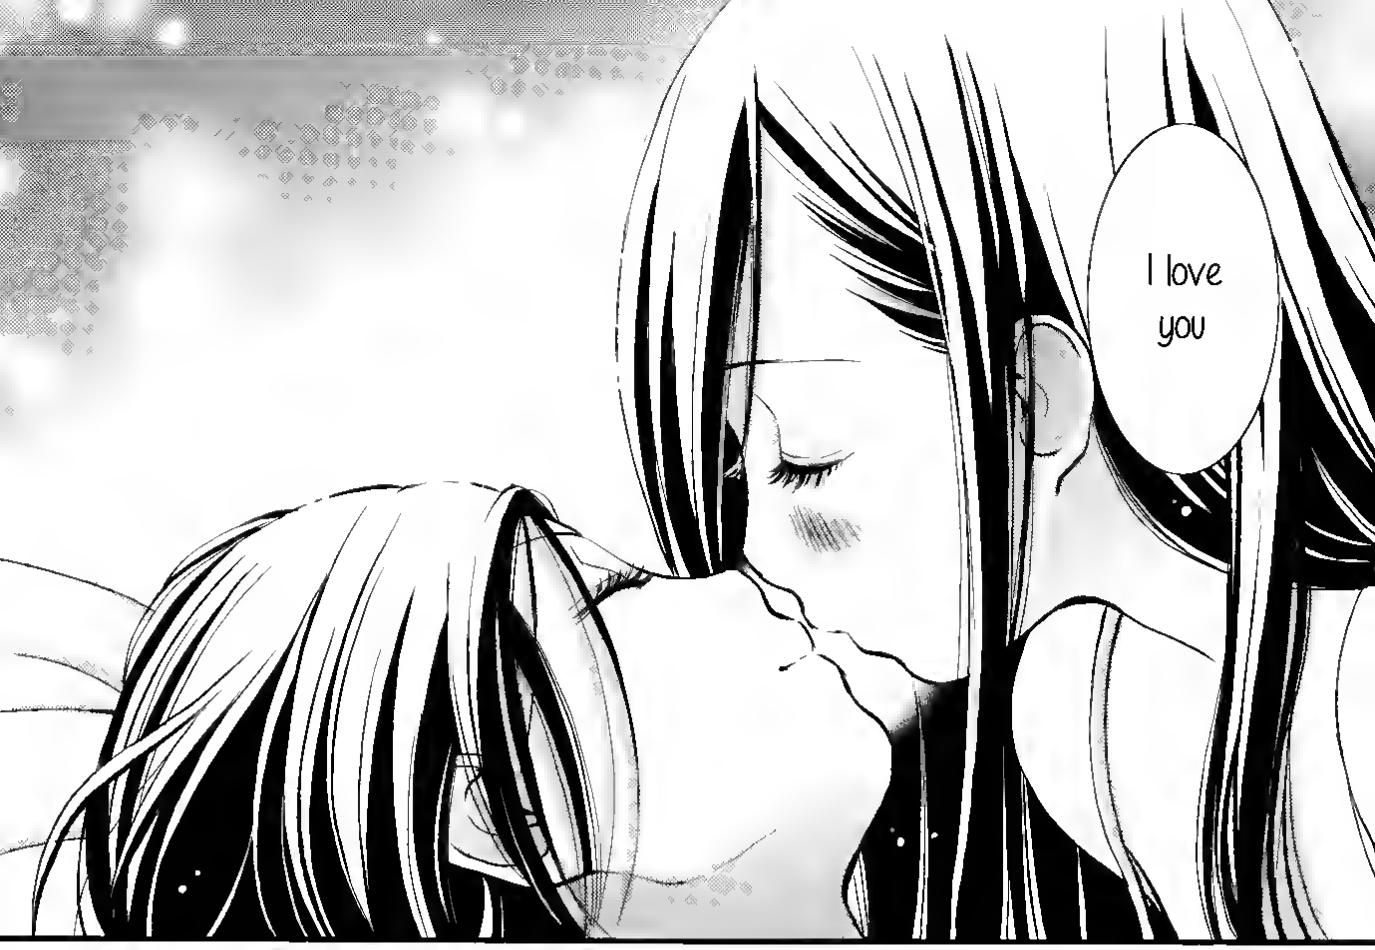
Fast Asleep
I
Zzz
Zzz
creak
I also



Zzz
Zzz
Zzz
Wow, she really falls asleep fast



giggle
Perhaps it's better like this, after all
Like a child
Once she's drifted off she won't wake up easy



that it had unfortunately made me miss the change in Rei...

I didn't realize until later

And while that comfortable sleeping spot is a source of happiness,
